Summer School Learning Support 2023/24

Assignment Drop-ins for help with research, academic writing and referencing:

Drop-ins are an opportunity to see a Learning Adviser or a Librarian for a brief query about your academic skills, assignments, research and referencing. Get help unpacking an assignment question or bring your assignment draft with your questions on specific aspects. Drop-ins are run on Joondalup campus from **20 November –21 December and 3 January – 1 February**. Students studying at other campuses or online can ask questions [online](#) via MS Teams. Although we aren't available 24/7, we will reply to your message as soon as possible.
